## **Budget for 2020**

### **Summary Information**

The 2020 Budget has been prepared with reference to the Bank's operational priorities and strategies as laid out in the Medium-term Strategy and Business Plan (MTSBP) of BSTDB for the period 2019-2022.

This budget represents the second year of implementation of the MTSBP, and details the priorities and operational activities, and the resources required for their successful implementation.

In terms of financing instruments, loans will constitute the main form of financing, with the Bank less open to employing equity. The Bank will provide various forms of short to medium-term financing, targeting mostly real sectors projects, and will also continue to offer credit lines for financing SMEs and trade activities through financial intermediaries. In addition, the Bank will consider extending various forms of guarantees and other risk sharing instruments for investments undertaken in Member Countries.

The primary operational emphasis of BSTDB in 2020 would be a sizeable and manageable portfolio expansion. The Bank will focus on maintaining portfolio quality and on generation and preparation of projects with development impact, for meeting Regional expectations. Consequently, revenues from lending operations are budgeted to be higher, although the Bank applies interest rates, with margins and fees, applicable to projects in the Bank's efforts to remain competitive in the market. Revenues from treasury activities are projected lower as funds are channeled to projects. Administrative expenses are budgeted to be slightly less than the previous year. Net income has been budgeted to be positive as realized in the previous years.

For the Bank's long-term borrowing needs the Board of Directors has approved a maximum borrowing limit for 2020 an amount of €2.1 billion, to accommodate the new borrowing program.

The Bank's revenues, business volume and administrative expenses, as approved by the Board of Directors at its meeting on 29 November 2019, are summarized in the attachments.

Pursuant to Section 12 of the By-Laws of the Bank, an annual administrative budget shall be presented to the Board of Governors at its next annual meeting.

### Summary of Revenues, Expenses and Net Income

---
